

Pet Release Form

By leaving my pet in the care of Pet Place Grooming, I hereby give my permission for Pet Place Grooming to groom my pet and seek emergency medical attention if needed. I understand that reasonable care will be given to insure that my pet is not injured while being groomed, but I understand that animals can be unpredictable and very active and that accidents may occur. I also understand that if my pet is SEVERLY MATTED there is a chance of nicks or cuts and clipper irritation that may occur. I will not hold the salon or any of its employees liable in the event that the condition of my pets coat or skin results in injury.

Occasionally, grooming can expose a hidden medical problem or aggravate a current one. This can occur during or after grooming and may include skin irritations, allergic reactions, and eye irritation.

ALL PETS must be picked up before closing. We close at 5pm Monday through Thursday, Friday at 3pm, and Saturday and Sunday we leave at the last Pickup time, or 4pm, whichever is EARLIER. Please be prompt in picking up your pet(s). If you cannot make your appointment please call to let us know as it has a direct affect on the commission paid groomers. Excessive no shows may be assessed a fee of half of what the groom would have been before we will groom your pet again.

All dematting is subject to a \$5 per half hour charge above the cost of the groom. We reserve the right to refuse to demat pets with extreme matting. Excessive dematting may result in damage to the skin and harm the pet. We groom for humanity not vanity.

Should there be a problem, it must be addressed with management within 24 hours of leaving the salon. We will do everything in our power to make it right.

Thank you from the staff of Pet Place Grooming!
